The Embassy of India invites businesses to participate in the India International Ceramic & Building Material Fair with B2B Meet (Virtual) during 8th to 11th March 2022 (4 days) in CAPEXIL's virtual platform with 30 Indian Exporters being organized by the Council for the Promotion of the Exportation of Chemical and Allied Products (CAPEXIL), under the auspices of Ministry of Commerce & Industry, Government of India and more than 1000 Overseas Importers.

30 established CAPEXIL Members / Indian Exporters from MSME segment to large conglomerate of Ceramics & Allied Products (specially from Ceramic Tiles & Sanitarywares as primary products) covering all categories of Ceramic Products viz. Ceramic tiles, Sanitarywares, Roofing tiles, Vitrified Tiles, Wall Tiles, Floor Tiles, Porcelain Tiles etc. will be participating in this event, followed by series of virtual B2B Meets under MAKE IN INDIA Initiative of the Govt. of India. Detailed profile of 30 Indian Exhibitors with respective HS Codes they are dealing with (mainly from Ceramic Tiles & Sanitarywares) is **attached**.

This is an initiative to bridge the gap between Indian products and demand for Ceramics and Allied Products in Peru & Bolivia in the post-pandemic era and thereby would like to contribute a bit to mitigate the international business and expand our exports. The prime objective of the said event is to promote bilateral trade between India & LAC Region in general and with Peru & Bolivia in particular and to export from India various Ceramics & Allied Products as specified above.

The importers/visitors/distributors/agents, etc willing to take part / have B2B Meetings with Indian Exhibitors can register for free in their own language well in advance through the Registration / Log-in Link <http://events.pragatie.com/ceramic-fair-2022/> and can have private B2B Meetings with the Indian Exhibitors as per pre-scheduled timing to make this event a grand success. Flyers in [Spanish](#) and [English](#) attached.

Since the event is not only an Exhibition but a private B2B meet will be arranged with pre-registered established Importers of Ceramic Tiles & sanitarywares from Peru & Bolivia apart from normal visitors looking for sourcing Ceramic Products from India.
