The Embassy of India invites business to participate in 'Source India 2022', a Reverse Buyer Seller Meet from 20, 21, 22nd March 2022 at Surat, India, a yearly signature event being organized by The Synthetic & Rayon Textiles Export Promotion Council (SRTEPC) under the aegis of the Ministry of Commerce & Industry and the Ministry of Textiles, Govt. of India. Surat is a major textile city producing 40 million mtrs. of fabrics every day. The fabric produced is mostly of Man-made Fibres and Yarns. Surat had earlier hosted Source India 2016 & 2018.

Nearly 100 member-companies of SRTEPC representing various Textile Segments from the country will be exhibiting their products in the latest designs/trends, as per international standard to cater to the global market.

This unique Reverse Buyer Seller Meet of the Council offers an excellent platform to Textile Importers to source their requirements of Man-made Fibre Textile products and its blends in the product categories of Fabrics, Fibres, Yarns, Made-ups, Home Textiles and Technical Textiles under one roof.

The Council proposes to host 100 International Buyers as their 'Sponsored' guests with complimentary economy class return airfare (to & fro), free accommodation for three nights in a business class hotel and transportation. However, those who wish to travel by Upper class may do so and claim the reimbursement of the Economy Class Fare from the Council. The Council has put in place an elaborate selection process based on the inputs received vide the Nomination form which will be placed before the Committee for final selection of buyers.
