7th India Water Week-2022 (IWW-2022) during 1-5 November, 2022 at India Expo Center, Greater Noida

The 7th India Water Week (IWW) 2022, an international conference will be organized by the Ministry of Jal Shakti, Department of Water Resources, River Development & Ganga Rejuvenation, Government of India, in co-ordination with nodal Departments/Ministries of Drinking Water Supply and Sanitation; Agriculture; Environment, Forest and Climate Change; Rural Development; Urban Development; Power; New and Renewable Energy; Niti Aayog along with their associated expert organizations and Public Sector Units, key International Bodies, and Private and Public business houses during 1-5 November, 2022 at India Export Centre, Greater Noida, Uttar Pradesh.

The main objective of India Water Week is to provide a forum for various stakeholders (policy makers, water managers, professionals, academia nationally and internationally and the user groups from different sections of the society) wherein all water related issues are discussed and measures identified to address various challenges of water security for sustainable development. The theme for IWW-2022 is "Water Security for Sustainable Development with Equity" focusing on various aspects of water security and management and related challenges for equitable development.

The IWW-2022 will have various events in the form of seminars, panel discussions and special sessions organized with the cooperation of stakeholders, including international organizations and partner countries. Exhibitions, showcase of technologies, latest development in various fields related to water security, etc. will be organized.
