UP Global Investors Summit from 10 to 12 February, 2023 at Lucknow, Uttar Pradesh, India

Uttar Pradesh Global Investors Summit (UPGIS) 2023 will be organized by the Government of Uttar Pradesh from 10-12 February 2023 at Vrindavan Colony, Lucknow, Uttar Pradesh, India. This event is the flagship Investment Summit of the Government of Uttar Pradesh. The 3-day long Investors Summit will bring together policy makers, corporate leaders, business delegations, academia, think-tanks and Political and Government leadership from across the globe, to collectively explore business opportunities and forge partnerships.

The Government of Uttar Pradesh has taken various reformative steps in creating a holistic ecosystem for industrial development, through policy driven governance by formulating 25+ policies to attract investment across Defence & Aerospace Manufacturing, EV Manufacturing, Warehousing & Logistics, Electronics Manufacturing, Tourism, Textile, MSME, etc.

UPGIS 2023 will witness participation of more than 10,000 delegates (Domestic and International) from over 20 countries, generating widespread influence and will serve as a unique forum for business networking, knowledge sharing and strategic partnerships by bringing together business leaders, political and economic dignitaries, entrepreneurs, & industry associates from across the world. UPGIS 2023 will witness Sector Specific Knowledge Sessions, Partner Country Sessions, B2B/B2G/G2G Meetings, Networking

Meets, Innovation Exhibition with global tech-products being displayed from across the world, art & craft representation of Uttar Pradesh, cultural programs among other elements.

The Government of Uttar Pradesh has set a target of attracting investment intents of worth US\$ 125 billion at UPGIS 2023 and has come out with a new online system for signing Memorandums of Understanding (MoUs) and monitoring their implementation. Many progressive economies like the United States of America, United Kingdom, Canada, Japan, South Korea, Singapore, Germany, The Netherlands and UAE have already committed to be the 'Partner Country'.

The ambitious target of the State Govt. is to attract 125 Bn\$ (Rs.10 L Cr). This is a key input to make the State a trillion \$ economy in GSDP terms in the next 5 yrs, quadrupling from the present level. This is a realistic and attainable target, given the potential/endowment/demographics and location of the state. The state has succeeded in attracting 40 bn \$ in the last 6 yrs. The largest data centre in northern India was inaugurated on 31st Oct'22 in Greater Noida.

The economic growth-focussed, stable govt of the State, is committed to all round socio-economic inclusive development. UP State has bagged second position in ease of business among all the States of India. Law and order has been stable. State Govt interventions have been already showing positive results on the economic landscape.

Stakeholders/delegates are encouraged to participate in the UPGIS 2023. For participation, please register at https://invest.up.gov.in/investorcrm/event/event_registration . For more information, please visit website <https://invest.up.gov.in/upgis2023/index.html> .
