

# STUDY SCHOLARSHIPS IN INDIA

## Embassy of India

ITEC (India Technical and Economic Cooperation Programme) was established on 15 September 1964 as a bilateral assistance programme of the Government of India. Through this programme India shares its experience and expertise in different areas in more than 160 partner countries whose trainees have the opportunity to experience in situ India's development as well as its culture. Currently, face-to-face courses (ITEC) and virtual courses (e-ITEC) are being offered simultaneously. The participating Institutes/Universities offer various free, short, postgraduate courses in English in the areas of agriculture, auditing, banking and finance, accounting, artificial intelligence, information technology, telecommunications, cyber technologies, education, engineering, environment and climate change, renewable and alternative energy, public administration, health and yoga, human resource development and planning, irrigation and water resources, English language, public administration, leadership, management, SMEs and entrepreneurship, media and journalism, oil and hydrocarbons, project management, quality control, rural development and poverty alleviation, sustainable development and South-South cooperation, textiles, foreign trade and international markets, urban planning, women's empowerment, and other specialised technical courses.

The Scholarship Programme (ITEC & e-ITEC) is aimed at Peruvian professionals from the public and private sector, in activity and with work experience (ideally minimum 5 years) between 25 and 45 years old with a good certified knowledge of the English language in order to be able to understand the courses.

The scholarship covers the course fee, international and domestic airfare, accommodation (campus or hotel), meals, book allowance, guided visits. It does not include medical insurance (candidates have to procure a medical insurance that would be requested if he/she is selected for the course, before travelling to India).

How to Apply:

- To apply for the in-person courses please go to <https://www.itecgoi.in/index> where you will find all available courses, the participant profile/course details and the online application form.
- If you meet the general and specific eligibility criteria please select the course and click on *Apply*. Then select the country (*Peru*) and leave the box *If not applying through Indian Mission, Please tick the check box* . Continue by clicking *Proceed*.
